Response to Line 510 - Service Quality Standards and Consumer Protection Rules

Compliance

In establishing this certification in its *2005 ETC Order*,¹ the FCC found that an ETC must make “a specific commitment to objective measures to protect consumers.”² The FCC found that for wireless ETCs, compliance with CTIA’s Consumer Code for Wireless Service would satisfy this requirement and that the sufficiency of other commitments would be considered on a case-by-case basis.³ In this context, the FCC stated, “to the extent a wireline or wireless ETC applicant is subject to consumer protection obligations under state law, compliance with such laws may meet our requirement.”⁴

Mid-Tex Cellular, Ltd. (“Company”) hereby certifies that it is complying with applicable service quality standards and consumer protection rules. The Company complies with the Cellular Telecommunications Industry Association Consumer Code for Wireless Service (“CTIA Code”) as attached and does business as West Central Wireless. The Company furthermore will comply with all requirements set forth in the *2015 Open Internet Order* when it becomes effective.

¹ *Federal-State Joint Board on Universal Service*, CC Docket No. 96-45, Report and Order, FCC 05-46 (rel. Mar. 17, 2005) (“*2005 ETC Order*”).

² *Id.* at para. 28.

³ *Id.* The FCC noted that under the CTIA Consumer Code, wireless carriers agree to: “(1) disclose rates and terms of service to customers; (2) make available maps showing where service is generally available; (3) provide contract terms to customers and confirm changes in service; (4) allow a trial period for new service; (5) provide specific disclosures in advertising; (6) separately identify carrier charges from taxes on billing statements; (7) provide customers the right to terminate service for changes to contract terms; (8) provide ready access to customer service; (9) promptly respond to consumer inquiries and complaints received from government agencies; and (10) abide by policies for protection of consumer privacy.” *Id.* at n. 71.

⁴ *Id.* at n. 72.

West Central Wireless adheres to 11 points within the CTIA Consumer Code, including disclosing rates, additional taxes, fees, surcharges and terms of service; providing coverage maps; making customer service readily accessible; and allowing a trial period for new service.
